FLSA White Collar Exemption Changes: Where Are We Now?

The Department of Labor is expected to make draft changes to the white collar exemptions under the Fair Labor Standards in March 2019. If such changes occur on schedule, this webinar will explore the substance of the changes as well as the impact on your organization and potential strategies to implement compliant changes to your compensation practices.*

*Should the expected changes not occur in a timely fashion, another presentation topic will be presented in March.
