Section 125: Demystifying the Code

While employers and employees alike may take for granted the tax-free nature of health and welfare benefits, the Internal Revenue Code section that regulates these benefits is complex and easily misunderstood. Plans that fail to comply with these complicated guidelines risk the total loss of tax-advantaged status. This webinar will focus on the core concepts of Section 125 Plans and will prepare employers to navigate the Code's challenging landscape.

This program is valid for 1 PDC for the SHRM-CPSM or SHRM-SCPSM.
